

Front Row App Training: **Prospecting**

FRONT ROW
SOLUTIONS

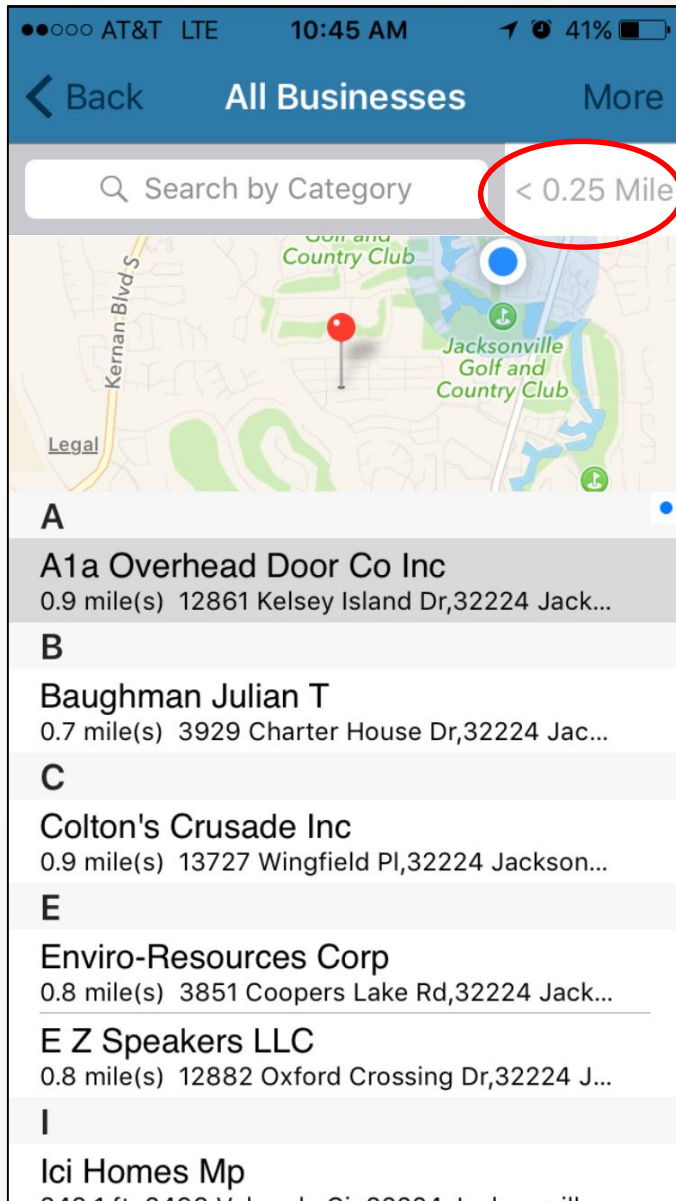

The Fastest & Easiest Sales Reporting Tool Ever!

Prospecting

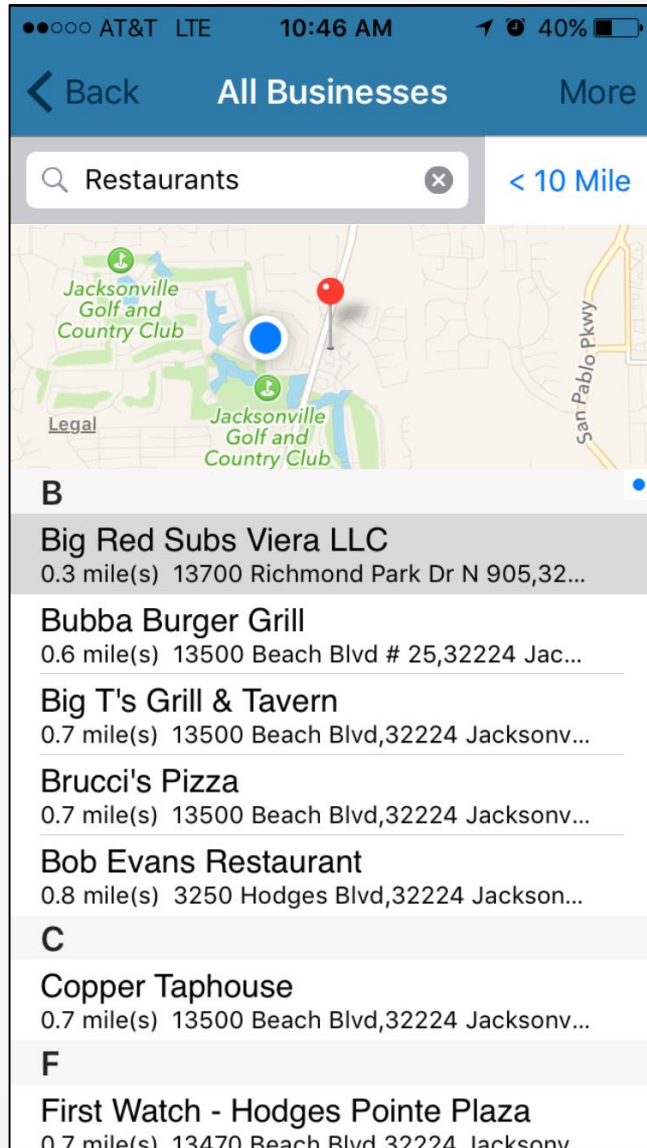

- Allows you to view your location on a map and locate prospects around you
- An example would be a medical sales rep in downtown Chicago using this feature to locate all the medical facilities nearby
- A prospect located can be quickly added to the client list

Prospecting

- Select your desired range and the search function will find all businesses within that area

Prospecting

- Enter a business category and the search will be narrowed to businesses in that category within your desired area
